

角パイプ (正方形)

Table with columns for size (寸法) and weight (kg/m) for square pipes. Includes sub-sections for (STKM120), (STKR400), and (STKR400).

角パイプ (長方形)

Table with columns for size (寸法) and weight (kg/m) for rectangular pipes. Includes sub-sections for (STKM120), (STKR400), and (STKR400).

特殊角パイプ

Table with columns for size (寸法) and weight (kg/m) for special angle pipes. Includes sub-sections for (STKR400) and (STKR400).

カラー角パイプ

Table with columns for size (寸法) and weight (kg/m) for color pipes.

メッキ角パイプ

Table with columns for size (寸法) and weight (kg/m) for galvanized pipes.

メッキモール角パイプ

Table with columns for size (寸法) and weight (kg/m) for galvanized molar pipes.

平鋼

Table with columns for thickness (w) and width (t) for flat steel. Includes sub-section for (SS400).

ミガキ平鋼

Table with columns for thickness (w) and width (t) for flat steel. Includes sub-section for (SGD400).

溝形鋼

Table with columns for size (寸法) and weight (kg/m) for channel steel. Includes sub-section for (SS400) (チャンネル).

等辺山形鋼

Table with columns for size (寸法) and weight (kg/m) for equal-leg angle steel. Includes sub-section for (SS400) (アングル).

Table of H-beam specifications (SS400) with columns for dimensions (寸法 A x B x t1 x t2) and weight (kg/m).

Table of H-beam specifications with columns for dimensions (寸法) and weight (kg/m).

Table of unequal angle iron specifications (SS400) with columns for dimensions (寸法 t x A x B) and weight (kg/m).

コラム (Column)

Table of column specifications with columns for dimensions (寸法), weight (kg/m), and material (BCR, STKR).

配管用炭素鋼鋼管 (SGP) (Carbon steel pipe for piping)

Table of carbon steel pipe specifications (SGP) with columns for dimensions (寸法 t x D), weight (kg/m), and material (S/40, S/80).

圧力配管用炭素鋼鋼管 (STPG) (Carbon steel pipe for pressure piping)

Table of carbon steel pipe specifications (STPG) with columns for dimensions (寸法 D), weight (kg/m), and material (S/40, S/80).

油圧配管用炭素鋼鋼管 (OST) (Carbon steel pipe for hydraulic use)

Table of carbon steel pipe specifications (OST) with columns for dimensions (寸法 D x t) and weight (kg/m).

機械構造用炭素鋼鋼管 (STKM) (Carbon steel pipe for mechanical structure)

Table of carbon steel pipe specifications (STKM) with columns for dimensions (寸法 t x D) and weight (kg/m).

一般構造用炭素鋼鋼管 (STK) (Carbon steel pipe for general structure)

Table of carbon steel pipe specifications (STK) with columns for dimensions (寸法 t x D) and weight (kg/m).

クロマル (SS400) (Chromal)

Table of chromal specifications (SS400) with columns for dimensions (寸法) and weight (kg/m).

クロマル (S45C) (Chromal)

Table of chromal specifications (S45C) with columns for dimensions (寸法) and weight (kg/m).

ミガキマル (SGD) (Migaki Maru)

Table of migaki maru specifications (SGD) with columns for dimensions (寸法) and weight (kg/m).

クロ角棒 (SS400) (Chromal rod)

Table of chromal rod specifications (SS400) with columns for dimensions (寸法) and weight (kg/m).

ミガキ角棒 (SGD) (Migaki Maru rod)

Table of migaki maru rod specifications (SGD) with columns for dimensions (寸法) and weight (kg/m).

軽量溝形鋼 (軽Z形鋼) (SS400) (Lightweight Z-shaped steel)

Table of lightweight Z-shaped steel specifications (SS400) with columns for dimensions (寸法) and weight (kg/m).

リップ溝形鋼 (C形鋼) (SS400) (Lip Z-shaped steel)

Table of lip Z-shaped steel specifications (SS400) with columns for dimensions (寸法) and weight (kg/m).

I形鋼 (SS400) (I-beam)

Table of I-beam specifications (SS400) with columns for dimensions (寸法) and weight (kg/m).

メッキC形鋼 (SS400) (Galvanized C-shaped steel)

Table of galvanized C-shaped steel specifications (SS400) with columns for dimensions (寸法) and weight (kg/m).

I 軽レール (I-light rail)

Table of I-light rail specifications with columns for weight (kg/m) and call name (呼称).

I 普通レール (I-general rail)

Table of I-general rail specifications with columns for weight (kg/m) and call name (呼称).
